The cost of living has risen so much this year with families in our community struggling to buy food, clothe children and keep themselves warm, therefore we are appealing now more than ever for your help and support.
By donating cash or shopping vouchers instead of food parcels to St Vincent de Paul it enables people to purchase exactly what they need thereby eliminating the possibility of any waste. It also allows people the dignity of doing their own shopping.
Thank you for your continued support now and throughout the year and please be assured that all funds donated will be distributed to those in need within our local community.
